# The Learning Center (TLC) Tutoring Program

---

**Fall 2016**

Tutoring is free to all Mississippi State University students and is available for many of the major subjects during the fall, spring, and summer terms. The Learning Center's tutoring lab is located in Allen Hall room 266. Students can sign up for tutoring through their Mystate account.

**Dr. Clay Armstrong, Interim Director**  
**Jarred Cowley, Tutoring Coordinator**

## About The Learning Center (TLC) Tutoring:

The Learning Center has helped over 4,000 MSU students (including over 14,000 individual visits) since Fall 2011. These are real-life testimonials from students that have benefited from tutoring at The Learning Center.

- “I would not be where I am without TLC!”
- "I will recommend the tutoring to anyone in need of assistance. The Learning Center is an excellent source for better understanding the material."
- “I commend The Learning Center. Thank you all for providing free tutoring services; it is much needed and certainly appreciated.”
- “I much rather get tutoring with TLC than anywhere else!”
- "The atmosphere in The Learning Center was nice. If I ever need help, I know that I can come to The Learning Center."
- “The Learning Center saved me this semester.”
- "The Learning Center is a great place to learn information for classes. It takes time to expand on the courses or subjects for students at MSU."
- "The help I got from the tutoring at The Learning Center was exactly what I needed. It helped me to understand the information, and do well in the class! Thank you again for providing this service to students."
- “I will always use TLC while I am a student at Mississippi State University.”
- "Thank you to the University for providing this service. I believe that overall it is a great service."

## Summary – Fall 2016

Number of students who utilized tutoring services: **564**

Number of tutoring sessions provided to those students: **1742**

Average length per session: 1:05 hr

Number of tutors employed by The Learning Center: **42**

Number of subjects for which tutoring was available: **21**

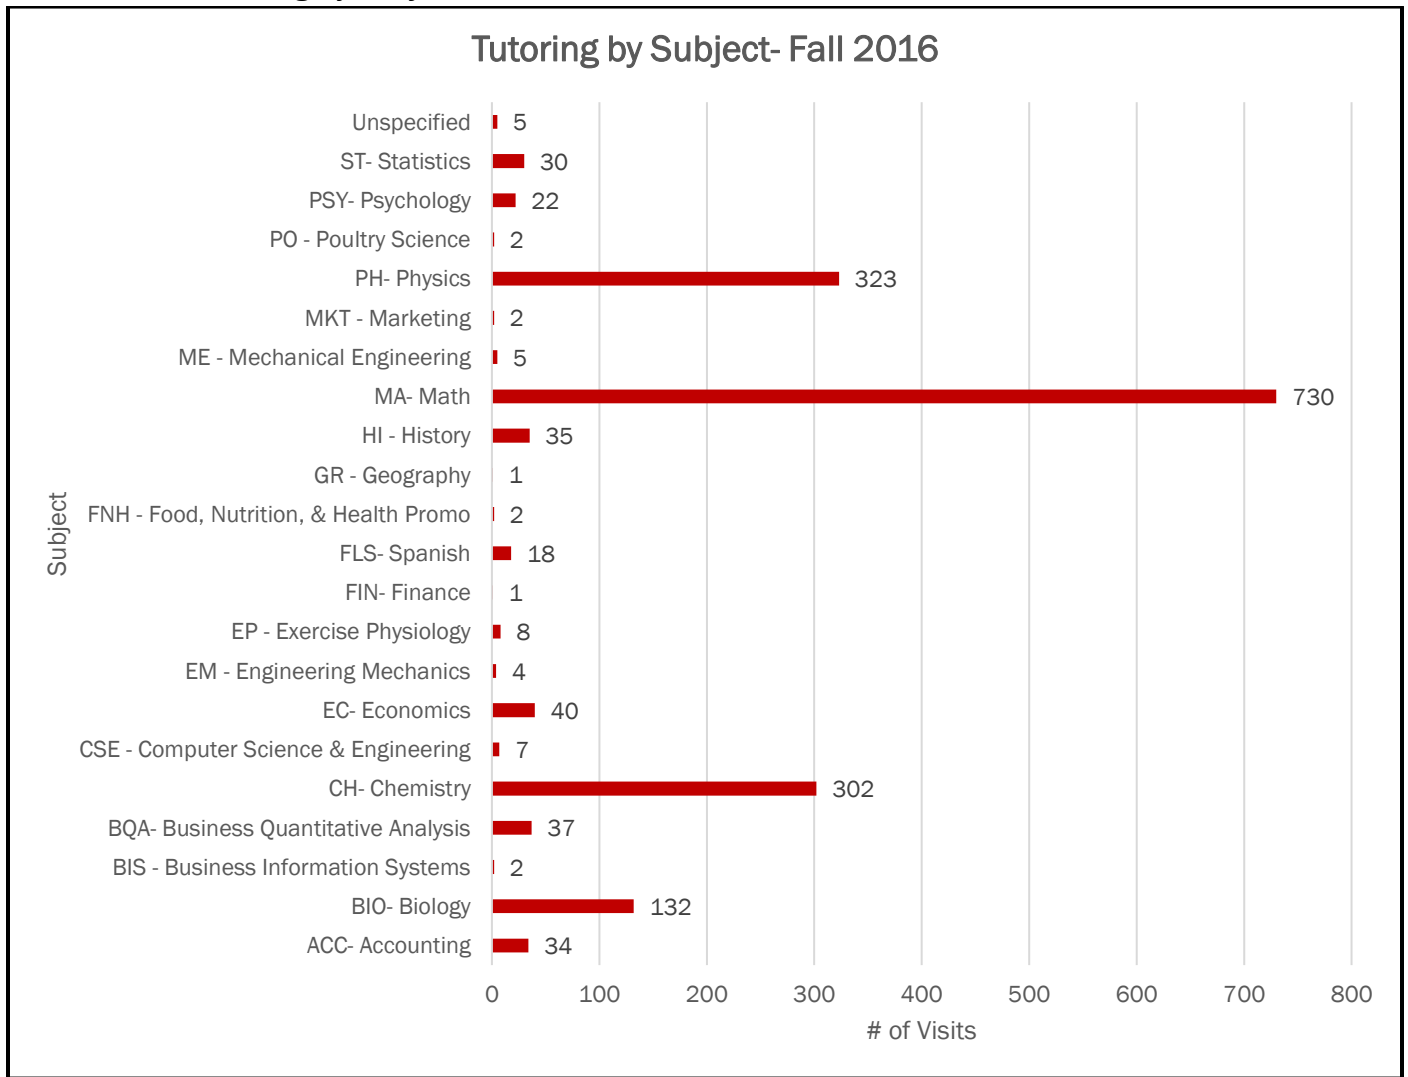

Number of courses for which tutoring was available: **60**

Most popular subjects: **Math, Physics, and Chemistry**

Continued Services:    - **Free Tutoring**  
                              - **Supplemental Instruction**  
                              - **Private tutoring**
